

THE PSYCHOLOGY OF ACHIEVEMENT

THE 5 SECRETS OF THE INNER GAME OF ACHIEVEMENT

Sunday 4 July 2010, 4pm

The Physics Room

FREE

There is a difference between those who dream and those whose dreams become real. Just imagine what you might be capable of if you put your mind to it.

In association with James Oram's exhibition **Game Face**, The Physics Room invites you to join us for an inspiring and motivating presentation led by Lawrence Green, a Wellington based business mentor and motivational speaker who for the last five years has been working with elite performers in business and sport as well as a wide range of individuals focused on inventing the future here in New Zealand.

Lawrence Green is an expert in leadership and entrepreneurship. His goal is to assist people to make the most of their ability for amazing results. He is an entertaining speaker who presents powerful insights and ideas in an inspiring and practical way.

For further information about Lawrence Green please visit: <http://lawrencelewisgreen.com>
